### Topics 1-12

### Let Us Help You Develop Engaged, Expert, and Energized Adult Learners

Join us to learn about powerful teaching practices that improve student learning!

Anne Davies and Sandra Herbst, working with a professional videographer, have produced twelve high-quality, focussed, and engaging videos which make up the **Professional Learning Support Collection**. Each of the twelve topics gives you everything you need to run quality professional development sessions:

- The voice of experts
- Classroom video clips
- Practical strategies for teaching, learning, and leading
- Time to reflect and process
- Ways to extend the learning
- A learning guide

Whether it be an ongoing PLC or a partial or full day of learning, these sessions are perfect! Choose between secondary or elementary streams with an additional video for those in leadership roles. The videos for leaders can be used as you learn on your own or alongside other leaders. Each stream features practical, immediately usable ideas for classrooms. **Sign up now!**
